

Parent PLUS Loan - Funds Release & Agreement Form

Under the William D. Ford Federal Direct Loan Program, when you apply for a Parent PLUS loan, the funds will be sent directly to the University of Western Ontario via electronic funds transfer. In order for us to be able to apply the funds to your son or daughter's tuition account; we must obtain your written permission as the loan is issued in your name.

Without your authorization, funds received by the university will be converted into a refund cheque (issued in Canadian dollars) which will be in your name and mailed to your permanent home address. As a result, your dependent will not be able to access these funds.

By signing below, you authorize Western University to deposit funds into your dependents tuition fee account and refund them any remaining credit for all other living costs, books etc.

I agree to the terms and conditions as listed above of the Parent PLUS loan that bears my name. Should I decide to terminate my agreement to this authorization, I will submit the change in writing to Student Financial Aid.
