**Note 1:** The former USC Student Organization Fee has been redistributed into more detailed individual program/service components.

**Note 2:** In addition to the Full-time Undergraduate fees, an additional \$452.00 fee will be collected on behalf of the HBA Association from HBA students entering the first year of the program. The \$452.00 fee includes HST, covers both years of the program, and will be classified as optional and available for opt-out under the provisions of the Student Choice Initiative.

**Note 3:** The MBA Health Plan is administered by the USC and provides coverage to MBA students for a 13 month period. The corresponding rate for the AMBAs is \$162.68.

**Note 4:** Eligible for opt-out upon presentation of proof of coverage from another source. The Health & Dental Plan Fee will be collected annually in September. This annual fee covers the Sept-Aug period. Students entering a Graduate program in January or May will be charged a pro-rated amount.

**Note 5:** In accordance with the fee classification framework introduced by the Ministry of Training, Colleges and Universities through the Student Choice Initiative, students will now have the option to opt-out of these particular fees during the designated timeframe.

**Note 6:** Starting in March 2020 the MBAs and AMBAs join the Undergraduate transportation contract with the LTC. The final fee rate has not been determined but it will not exceed \$275.00.

While every effort has been made to ensure the above schedule is complete and accurate, Western University reserves the right to make adjustments as required.
