Step 4: Click the drop down to choose the June 2020 Convocation. *Select this even if your convocation is in May.

Step 5: Verify that all the data is correct before submitting the application.

Step 6: You will see this page when you have successfully applied for graduation.
Step 7: To check your status once you have applied, go back to your Student Center > Academics > My Academics View Graduation Status. **NOTE: Do not expect to see a change in your Degree Status until at least 3 weeks AFTER your final grade appears on Student Center (usually mid to late May).**
